WORLD HEALTH FORUM

Volume 15, 1994

World Health Organization, Geneva

Subject Index

(The subjects of WHO activities and recommendations, which appeared in the WHO Notes & News section of *World Health Forum*, are indexed separately on p. 4).

Aboriginal communities, health promotion, Australia, 25
adolescent health, chronic disorders, Israel, 233
Africa, community responses to AIDS, 35
AIDS, community responses, Africa, 35
health education, Zimbabwe, 39
alcohol drinking, sensible limits, Round Table, 213
Americas, child health in developing countries, 73
Argentina, health education by theatre group, 181
Asia-Pacific Academic Consortium for Public Health, 282
Australia, health promotion for Aboriginal communities, 25

Bangladesh, environmental sanitation, 358
substandard drugs, 406
Bolivia, collaboration of doctors and traditional healers, 133
health education during military service, 345
Botswana, training mental health nurses, 260
breast-feeding, in hospitals, Mexico, 182
USA, 373
Western Pacific, 66

Cameroon, family planning and tradition, 378
child health, Americas, 73
community participation, India, 272
ethics of care, 382
preparation of safe food, 69
China, reform of medical education, 179
schistosomiasis control, 387
chronic disorders, care of adolescents, Israel, 233
classification of diseases, mortality at birth, 85, 87
community development, women's role, Indonesia, 16
community participation, AIDS care, Africa, 35
construction of health centres, Sri Lanka, 262
maternal and child health, India, 272
trading companies, Zambia, 51
Czech Republic, tobacco advertising, 259

data management, computerized, EPI, 238
demographic entrapment, 382
development, sustainability, 193
diabetes, availability of insulin, 376
disability prevention, Malawi, 408
musculoskeletal disorders, 161
district health libraries, 89
Malawi, 369
Tanzania, 370
Tanzania and Uganda, 89
doctors' assistants, Netherlands, 269
drug management, role of pharmacists, 403
drug policy, Bangladesh, 406

education, *see* medical education, nursing education
Egypt, model for health education, 29
nursing standards, 158
elderly, care in Uganda, 185
environmental health, community participation, Bangladesh, 358
urban development, Japan, 354
epidemiological training, district health workers, Nigeria, 60
GEENET courses, 43
India, 48
Kuwait, 58
Estonia, health care reform, 335
ethics, health care, 371
health communication, 175
population growth and child care, 382
Europe, health care reform, central and eastern countries, 323, 329
eye diseases, traditional medicine, Kenya, 138
Zimbabwe, 144

family planning, cultural traditions, Cameroon, 378
progress in national programmes, 251
see also human reproduction
Finland, training managers of health centres, 276
food safety, for young children, 69
primary health care approach, 393
futures thinking, applied to health care, 189

Ghana, malaria control, 265
Global Environmental Epidemiology Network (GEENET), training courses, 43

haemoglobin disorders, Saudi Arabia, 165
health care, futures thinking, 189
problem-solving approach, 9
tribal populations, India, 262
health care management, competition, Philippines, 348
health care reform, central and eastern Europe, 323, 329
Estonia, 335
global trends, 317
health centres, training managers, Finland, 276
health communication, ethics, 175
health education, AIDS control, Zimbabwe, 39
during military service, Bolivia, 345
environmental sanitation, Bangladesh, 358
model for villages, Egypt, 29
oral health among schoolchildren, Zimbabwe, 19
theatre group, Argentina, 181
health financing, *see* health care reform
health information, *see* libraries, health learning materials
health learning materials, South-East Asia, 93
health promotion, for Aboriginal communities, Australia, 25
health records, India, 180
health sector, role in sustainable development, 193
wastage and inefficiency, Round Table, 107
health systems, *see* health care reform
helminth parasites, factor in malnutrition, 169
Hippocratic oath, 57
hospitals, baby-friendly, Mexico, 182
USA, 373
Western Pacific, 66
hospital waste, disposal in developing countries, 363
human reproduction, Special Programme activities, 1
see also family planning

immunization management, Malaysia, 236
Nigeria, 340
use of informatics, 238
see also poliomyelitis
India, benefits of yoga, 61
community participation in maternal and child health, 272
epidemiological research training, 48
health care for tribal populations, 262
health record-keeping, 180
kala-azar control in tribal populations, 245
Indonesia, women's role in community development, 16
insulin, availability and cost, 376
Israel, adolescents with chronic disorders, 233

Japan, urban development, 354

kala-azar control, tribal populations, India, 245
Kenya, traditional medicine for eye diseases, 138
Kuwait, epidemiological training, 58

leprosy control, Sri Lanka, 173
libraries, *see* district health libraries, health learning materials

Madagascar, primary health care centres, 248
malaria control, Ghana, 265
Malawi, disability prevention, 408
district health libraries, 369
Malaysia, immunization strategy, 236
motocycle injuries, 186
rheumatic heart disease, 56
malnutrition, role of helminth parasites, 169
management training, health centres, Finland, 276
nurses, 153
maternal health, Yemen, 78
medical education, for primary health care, 147
postgraduate studies in substance misuse, UK, 63
reform, China, 179
medical equipment, maintenance, 196
Mexico, breast-feeding in hospitals, 182
motorcycle injuries, Malaysia, 186
musculoskeletal disorders, orthopaedic training, Malawi, 408
visual display unit operators, 161
Myanmar, infant feeding, 400

Netherlands, doctors' assistants, 269
Nigeria, epidemiology course, 60
immunization management, 340
nursing education, for management, 153
for mental health care, Botswana, 260
for primary health care, Turkey, 150
nursing practice, development of standards, Egypt, 158
nutrition, infants, Myanmar, 400
safe food for young children, 69

oral health, promotion among schoolchildren, Zimbabwe, 19

perinatal mortality, international classification, 85, 87
Tanzania, 82
pharmacists, drug distributors, Zaire, 62
health care providers, Turkey, 187
role in drug management, 403
Philippines, health care management competition, 348
poliomyelitis, surveillance strategies, 240
population growth, ethics, 371, 382
primary health care, by pharmacists, Turkey, 187
education of health professionals, 147
education of nurses, Turkey, 150
Madagascar, 248
trading companies, Zambia, 51
women's participation, Sudan, 184
problem-solving approach, applied to health care, 9
public health administration, *see* health care reform
public health institutions, Asia-Pacific Academic Consortium, 282

rheumatic heart disease, Malaysia, 56
road traffic accidents, 375
motorcyclists in Malaysia, 186
Round Tables: Sensible drinking, 213
Tackling wastage and inefficiency in the health sector, 107

safe motherhood, community participation, India, 272
Yemen, 78
Saudi Arabia, haemoglobin disorders, 165
schistosomiasis control, China, 387
Senegal, traditional healers, 390
sensible drinking, Round Table, 213
sickle-cell anaemia, Saudi Arabia, 165
South-East Asia, health learning materials network, 93
Special Programme of Research, Development and Research Training in Human Reproduction, overview of activities, 1
spiritual dimension, benefits of yoga, India, 61
Sri Lanka, construction of community health centres, 262
leprosy control, 173
statistics, use, 375
substance misuse, postgraduate studies, UK, 63
Sudan, health care by women, 184
surveillance, poliomyelitis prevalence, 240

Tanzania, district health libraries, 89, 370
perinatal mortality, 82
thalassaemia, Saudi Arabia, 165
tobacco advertising, Czech Republic, 259
traditional healers, collaboration with doctors, Bolivia, 133
eye diseases, Zimbabwe, 144
Senegal, 390
traditional medicine, eye diseases, Kenya, 138
role of herbalists, 373
training, epidemiology, GEENET courses, 43
India, 48
Kuwait, 58
Nigeria, 60
tribal populations, health care, India, 262
kala-azar control, India, 245
Turkey, health care by pharmacists, 187
nursing education for primary health care, 150

Uganda, care of elderly, 185
district health libraries, 89
UK, postgraduate studies in substance misuse, 63
urban development, Japan, 354
USA, breast-feeding in hospitals, 373

waste, in health sector, Round Table, 107
waste disposal, *see* hospital waste
Western Pacific, breast-feeding in hospitals, 66
women, health care providers, Sudan, 184
role in community development, Indonesia, 16

Yemen, safe motherhood, 78
yoga, evaluation of benefits, India, 61

Zaire, drug distribution by pharmacists, 62
Zambia, primary health care trading companies, 51
Zimbabwe, AIDS health education, 39
oral health education for schoolchildren, 19
traditional treatment for eye diseases, 144

acupuncture, 297
Advisory Committee on Health Research, 208
newsletter, 102
Africa, childhood respiratory infections, 207
drinking-water supply, 304
AIDS, importance of sex education, 210
new research strategy, 211
programme coordination, Executive Board, 202
World AIDS Day 1993, 209
Arab territories, World Health Assembly, 290
asbestos, in drinking-water, 303

cardiovascular diseases, MONICA project, 420
cervical cancer, vaccine prospects, 417
Chagas disease, Latin America, 299
chemical pollution, effects on elderly, 103
child health, collaboration with International Pediatric Association, 203
ten priority goals, 296
child labour, Dakar declaration, 296
community action for health, 413

Dakar Declaration on Child Labour, 296
diabetes, prevention, 208
diarrhoeal disease control, programme review, 96
drinking-water supply, containing asbestos, 303
sub-Saharan Africa, 304
drug strategy, World Health Assembly, 291

elderly, vulnerability to chemical pollution, 103
emergency assistance, former Yugoslavia, 98
epilepsy, 301
Europe, campaign against rabies, 412
tuberculosis in eastern countries, 418

female genital mutilation, 416
First International Conference of Medical Parliamentarians, Bangkok, 6–8 February 1994, 294
First International Conference on Elimination of Leprosy, Hanoi, July 1994, 420
fluoridation, prevention of dental caries, 302
futures thinking, health projections, 100

gender and tropical diseases, 1994 award, 204
Global Commission on Women's Health, 414

health education, WHO Award, 298
health futures, projections, 100
heart disease, MONICA study, 421

International Pediatric Association, joint activities, 203

Latin America, Chagas disease, 299
leprosy, elimination prospects, 419

medical schools, *Directory* updates, 104, 212, 305, 420
medical parliamentarians, Bangkok conference, 294
mental health, women's problems, 300
Mentor Foundation, World Health Assembly, 290
mineral dusts, harmful exposure, 205
MONICA project, cardiovascular diseases, 420

natural disasters, community preparedness, 206
nutrition, infants and young children, World Health Assembly, 292

occupational health, exposure to mineral dusts, 205
onchocerciasis control, review of achievements, 293
World Health Assembly, 291
oral health, fluorides, 302

palliative care, terminally ill patients, 301
pneumonia, childhood cases in Africa, 207

rabies, European campaign, 412
research, ACHR, 208
strategy for AIDS, 211
respiratory infections, childhood cases in Africa, 207

Science and technology for health, newsletter, 102
sex education, importance for AIDS epidemic, 210
South Africa, participation in World Health Assembly, 290

terminal illness, palliative care, 301
tropical diseases, 1994 award for gender-specific papers, 204
tuberculosis, increase in eastern Europe, 418
resurgence, 292
